For tables of 8 or more, a discretionary 12.5% service charge will be added to your bill.

This reflects common practice across the hospitality industry and helps us to fairly recognise the hard work of our team during busier service periods.

We believe in rewarding our staff directly — 100% of all service charges and tips are distributed in full to our team members.

If you would prefer to have the service charge removed, please let us know, and we will be happy to do so.
